

How to Increase Your Teamwork in 2006

My exciting news is that **Positive Actions** received its **DBE** (Disadvantaged Business Enterprise) certification by NJ Transit on behalf of all New Jersey Unified Certification Program, UCP, (including New Jersey Department of Transportation and The Port Authority of NY and NJ) - yippee yeah!

As business owners, managers and professionals, we all need help at times. How about helping others? "Two are better than one because they have a good return for their labor." - Ecclesiastes 4:9. There are times when we need the help of others to accomplish challenging tasks. Also, there are other times we need to help others to accomplish their goals. The following are 3 places we can help others to succeed:

1. **Home** - who can you help at home or in your family? What goals do they need your help with to succeed in 2006? I will help Mark with his weight management.
2. **Work or Business** - who can you help at work or business? What goals do they need your help with to succeed in 2006? I will help my Mentoree in deciding which networking events and groups will meet her needs.
3. **Community** - who can you help in your community? What goals do they need your help with to succeed in 2006? I will share some cheer with the seniors at our local nursing home by reading inspirational stories to them.

Tell me who you will help and I'll include it in our next Ezine. Don't delay! Help others to succeed today!

About the Author: Rosemarie Strawn is a Motivational Speaker and Corporate Trainer with over 15 years experience in Team Productivity Improvement. Ms. Strawn provides Public Speaking Coaching to increase sales and customer satisfaction. She is President-Elect for the New Jersey Association of Women Business Owners, NJAWBO.
